To secure a responsible career opportunity and to fully utilize my training and skills, while making a significant contribution to the success of the company.

WORK EXPERIENCE

Volunteer Listener

7Cups (2022-2023)

- Provided confidential, chat-based emotional support to individuals facing mental health challenges, promoting empathy and active listening.
- Completed training in compassionate communication and mental health first response as part of 7 Cups' peer support program.
- Engaged in meaningful conversations to help users feel heard, valued, and supported during difficult times.
- Maintained professionalism, confidentiality, and emotional sensitivity in all interactions.

Graphic Designer

United Pentecostal Church (2023-2024)

- Designed visual materials for church events, outreach programs, and promotional campaigns, ensuring alignment with the organization's message and values.
- Developed social media graphics, event posters, and digital content to increase engagement and community participation.
- Collaborated with church leaders and volunteers to produce timely and visually appealing designs for both print and online platforms.

Social Welfare Intern

Department of Science and Technology (January – February 2025)

- Applied scientific knowledge to support local development initiatives.
- Assisted in evaluating and refining community-based project proposals aimed at improving livelihoods and sustainability.

- Engaged in participatory planning sessions with local leaders, promoting inclusive and data-driven decision-making.
- Contributed to documentation and reporting tasks, helping ensure transparency and alignment with DOST objectives.

Public Information Office Intern

City Government of San Fernando (May 14 – June 10, 2025)

- Assisted in administrative tasks including data consolidation, organizing client feedback, and managing social media content.
- Assisted clients by addressing inquiries, gathering feedback, and communicating suggestions to appropriate departments, demonstrating strong interpersonal and language skills.
- Designed publication materials for government campaigns (e.g., World Hypertension Day, World Oceans Month) using graphic design tools.
- Received mentorship in animation, photography, and design, enhancing multimedia and communication skills.
